

# Biology Second Half Kick Off

---

- [Biology 30](#) Student Expectations

## **Evolution and Animals**

- [Biology 31](#) Darwin, Evolution and Fossils
- [Biology 32](#) Animal Characteristics
- [Biology 33](#) Animal Behaviors

## **Using Science Models**

- [Biology 34](#) Science Observation and Measure
- [Biology 35](#) Science Models
- [Biology 36](#) Interpretation and Communication

## **Lab Dissection**

- [Biology 37](#) Dissection Preparation
- [Biology 38](#) Dissection in Lab
- [Biology 39](#) Dissection Analysis

## **Sub-disciplines Connections**

- [Biology 41](#) Fields in the Life Sciences
- [Biology 42](#) Physiology
- [Biology 43](#) Ecology

## **Deep Dive Review on the Cell**

- [Biology 44](#) Deep Dive - the Cell
- [Biology 45](#) Deep Dive - Genetics
- [Biology 46](#) Deep Dive - Biological Diversity

## **Year-End Review**

- [Biology 47](#) Scientific Inquiry
- [Biology 48](#) Organisms and Living Systems
- [Biology 49](#) Year-End Capstone
