

# Everything you need to know about Science for ACT

---

<https://blog.prepscholar.com/the-only-actual-science-you-have-to-know-for-act-science>

## **Biology**

- Cell Biology
- DNA, RNA, and Ribosomes
- Natural Selection

## **Chemistry**

- Basic Molecule Structure
- Freezing/Boiling Point of Water in Celsius
- pH Scale
- Molar Mass Concepts
- How Charges Interact
- Phase Changes

## **Physics**

- Gravity
- Density Formula
- Density Rules
