[ACT GENERAL INFO](#)

No matter how you prep for the ACT—whether you have a tutor, take a class, or study by yourself—you must get access to official ACT tests. These tests are released by ACT, Inc. and contain real questions given to actual students on previous test dates. These questions have been removed from circulation (so you won't ever see them on a real test), but their quality is second to none when it comes to ACT realism.
